

# All At Sea (live at KFOG studios)

Jamie Cullum

I'm all at sea  
Where no one can bother me  
Forgot my roots  
If only for a day  
Just me and my thoughts sailing far away. Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to  
All at sea. I'm all at sea  
Where no one can bother me  
I sleep by myself  
I drink on my own  
Don't talk to nobody  
I gave away my phone. Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to  
All at sea. Now I need you more than ever  
I need you more than ever now You don't need it every day  
But sometimes don't you just crave  
To disappear within your mind  
You never know what you might find  
So come and spend some time with me  
We can spend it all at sea. Like a warm drink it seeps into my soul  
Please just leave me right here on my own  
Later on you could spend some time with me  
If you want to  
All at sea.
