

Deer Dance

System of a Down

Circumventing circuses, lamenting in protest
To visible police, presence sponsored fear
Battalions of riot police with rubber bullet kisses
Baton courtesy, service with a smile Beyond the staples center you can see America
With it's tired poor avenging disgrace
Peaceful loving youth against the brutality
Of plastic existence Pushing little children with their fully automatics
They like to push the weak around
Pushing little children with their fully automatics
They like to push the weak around A rush of words, pleading to disperse
Upon your naked walls, alive
A political call, the fall guy accord
We can't afford to be neutral on a moving train Beyond the staples center you can see America
With it's tired poor avenging disgrace
Peaceful loving youth against the brutality
Of plastic existence Pushing little children with their fully automatics
They like to push the weak around
Pushing little children with their fully automatics
They like to push the weak around Push them around, a deer dance
Invitation to peace, war staring you in the face
Dressed in black with a helmet, fierce
Trained and appropriate for the malcontents
For the disproportioned malcontents The little boy smiled, it'll all be well
The little boy smiled, it'll all be well Pushing little children with their fully automatics
They like to push the weak around
Pushing little children with their fully automatics
They like to push the weak around Pushing little children with their fully automatics
They like to push the weak around Push the weak around
Push the weak around
Push the weak around
They like to push the weak around
