

Chasing Ghosts

[Kylie Minogue](#)

Like it's suffering I have this feeling
It is forever
That forever is so close I hear you calling after midnight
After all night like a Van Gogh So allelujah
The feeling is going through her
Like a food caught into her throat
If I lose her
I don't know what I would do
You got my eye chasing off ghosts You got me here waiting for your love
You got me here waiting for you
You got me here waiting for your love
You got me here waiting for you With all this nature
They calling names so they know
Yeah, they what they know I'm hearing voices
Drowning out the noises
So allelujah
The feeling is going through her
Like a food caught into her throat If I lose her
I don't know what I would do
You got my eye chasing off ghosts
