Move

Little Mix

Hey baby
Tell me your name
I gotta fever for you
I just can't explain
But there's just one problem
I'm a bit old school
When it comes to lovin'
I ain't chasing you
Hate waiting
I'm on a roll
You've got to let yourself goWhoa, you know that I've been waiting for you
Don't leave me standing all by myself
Cause I ain't looking at no one elseHey, get your back off the wall
Don't you get comfortable
Looking so hot
I think that I might fall
Feeling like it's my birthday
Like Christmas day came early
Just what I want
So when we move
You moveHey, get your back off the wall
Don't you get comfortable
Looking so hot
I think that I might fall
Feeling like it's my birthday
Like Christmas day came early
Just what I want
So when we move
You moveOh silly
Why you afraid
Don't be a big baby
Quit playing games
And put your arms around me
You know what to do
And we can take it down lowWhoa, you know that I've been waiting for you
Don't leave me standing all by myself
Cause I ain't looking at no one else
Looking at no one elseHey, get your back off the wall
Don't you get comfortable

Looking so hot
I think that I might fall
Feeling like it's my birthday
Like Christmas day came early
Just what I want
So when we move
You moveGet your back off the wall
Don't you get comfortable
Looking so hot
I think that I might fall
Feeling like it's my birthday
Like Christmas day came early
Just what I want
So when we move
You moveI know that you wanna
But you can't cause you gotta
Stay cool in the corner
When the truth is that you wanna move
So move
I know that you wanna
But you can't cause you gotta
Stay cool in the corner
When the truth is that you wanna move
So moveMove it baby, whoa
You know that I've been waiting for you
Don't leave me standing all by myself
Cause I ain't looking at no one else
Looking at no one else
Looking at no one elseHey! Hey!
I'm ready, hey
Boy come and get me
Don't be scared
Show me what you do
Don't you know a girl
Like a boy who move
Hey! Hey!
I'm ready, hey
Boy come and get me
Don't be scared
Show me what you do
Don't you know a girl
Like a boy who moveGet your back off the wall
Don't you get comfortable
Looking so hot
I think that I might fall

Feeling like it's my birthday
Like Christmas day came early
Just what I want
So when we move
You moveHey! hey! I'm ready, hey
Boy come and get me
Don't be scared
Show me what you do
Don't you know a girl
Like a boy who moves
