Retrograde

Goldroom

Say it aloud and I'll say it again
I've heard it all in retrograde
I believe we can lie above
The sun will rise in spite of usIn light of what you say
The girl, she says, she never wants to lie
In place of man. I'm falling from the sky
My senses sing to never give your love awaySave me nowYou said 'I'm not the writing on the wall'
You said 'I'm not that cynical'
You said 'When it's time to come home
Won't you leave it alone'
Say it aloud and I'll say it again
I've heard it all in retrograde
I believe we can lie above
The sun will rise in spite of usIn light of what you say
The girl, she says, she never wants to lie
In place of man. I'm falling from the sky
My senses sing to never give your love away(You said)Save me nowYou said 'I'm not the writing on the wall'
You said 'I'm not that cynical'
You said 'When it's time to come home
Won't you leave it alone'
I know what you said
I live what you
I know what you said
I live what you
I know what you said
I live what you meant
In the end but you never knew
Never knewSave me nowYou said 'I'm not the writing on the wall'
You said 'I'm not that cynical'
You said 'When it's time to come home
Won't you leave it alone'
