

I Will Sing

iWorship

Lord, You seem so far away
A million miles or more, it feels today
And though I haven't lost my faith
 I must confess right now
 That it's hard for me to pray
 But I don't know what to say
 And I don't know where to start
 But as You give the grace
 With all that's in my heart
I will sing, yes, I will praise, even in my darkest hour
 Through the sorrow and the pain
I will sing, I will praise, lift my hands to honor You
 Because Your word is true, I will sing
 Lord it's hard for me to see all the thoughts
 And plans You have for me, yes it is
 But I will put my trust in You
 Lord we made Your die to set me free
 Oh thank God You did
 But I don't know what to say
 And I don't know where to start

 But as you give the grace
 With all that's in my heart
I will sing, I will praise, even in my darkest hour
 Through the sorrow and the pain
I will sing, I will praise, lift my hands to honor You
 Because Your word is true
 I will sing, I will praise, even in my darkest hour
 Through the sorrow and the pain
 I will sing, I will praise, lift my hands to honor You
 Because Your word is true, I will sing, I will sing, I will sing
 Oh, we sing to You Lord
 Oh, we sing to You Lord tonight
 Halleluiah, we sing to You Lord
 Oh, we lift our voices and sing to You
 Worship You Lord, we sing to You Lord
 We sing, we sing, We sing, we sing
 Oh, we worship you Lord, oh, thank You Lord
 I will sing, oh yes I will, I will sing
