

# Stupid Things

[Robin Thicke](#)

Just charge it to my account, I hope I haven't gone over my limit  
With interest rates so swift  
No need to scream and shout, no doubt if women are from Venus now  
I'll get to them somehow All I wanna do is please you  
Please myself by living my life too  
And all the stupid things I do  
Have absolutely no reflection on how I feel about you, how I feel of  
All the stupid things I do  
Have absolutely no reflection on, how I feel about you  
How I feel about you Oh yes I recall skipping on breakfast to play basketball  
Then feeling two feet small  
Sometimes you read like William Shakes  
Your scent is sweet like Betty Crocker bakes  
I'd love to have your cake and eat it to All I want to do is please you  
Please myself by living my life too  
And all the stupid things I do  
Have absolutely no reflection on how I feel about you, how I feel of  
All the stupid things I do  
Have absolutely no reflection on, how I feel about you  
How I feel about you
