## Suede

She, walking like a killer  
She, another night another pillow  
Nowhere places, nowhere faces, no one wants to see  
No education, it's the arse of the nation  
She is bad, she is bored, she is bony, she is  
She, sh-sh-shaking up the karma  
She, injecting marijuana  
Nowhere places, nowhere faces, no one wants to see  
No education, it's the arse of the nation  
She is bad, she is bored, she is bony, she is  
She  
She  
Nowhere faces, nowhere places, no one wants to be  
No stimulation in this privatization  
She is bad, she is bored, she is bony, she is  
She  
She
