

# He'll Be Comin' Down the Chimney

Rosemary Clooney

Heâ€™ll be comingâ€™ down the chimney when he comes  
Heâ€™ll be comingâ€™ down the chimney when he comes  
Heâ€™ll be coming down the chimney  
Oh by golly gee by jimney  
Heâ€™ll be comingâ€™ down the chimney when he comes

Heâ€™ll be driving his eight reindeer when he comes  
Heâ€™ll be driving his eight reindeer when he comes  
When they hear the sleigh bells jingle  
Every heart will tingle-ingle  
Heâ€™ll be driving his eight reindeer when he comes

When he comes, when he comes  
Oh weâ€™ll have a Merry Christmas when he comes

Heâ€™ll be filling every stocking when he comes  
Heâ€™ll be filling every stocking when he comes  
Heâ€™ll be bringing toys and goodies  
Yes, for everyone whoâ€™s good  
Heâ€™s gonna fill their Christmas stocking when he comes

Thereâ€™ll be snow on every roof top when he comes  
Thereâ€™ll be snow on every roof top when he comes  
Thereâ€™ll be frosty flakes â€™ falling o  
On the night that Santaâ€™s calling  
Thereâ€™ll be snow on every roof top when he comes  
When he comes, when he comes  
Oh weâ€™ll have a Merry Christmas when he comes

Heâ€™ll be comingâ€™ down the chimney when he comes  
Heâ€™ll be comingâ€™ down the chimney when he comes  
Heâ€™ll be coming down the chimney  
Oh by golly gee by jimney  
Heâ€™ll be coming down the chimney when he comes  
Heâ€™ll be coming down the chimney when he comes  
(When he comes, When he comes)
