Creeper

Liv Kristine

Creeping
I crawled ten miles
Drenched in mud
Scorching sand
I want to lay down
It won't release me
This vacuum soundCreeper
I am breaking into pieces
I am sinking from reverie
To still life
Creeper
I'm a creeperCreeper
I creep for life
I am breaking into pieces
I am sinking from reverie
To still lifeA drop of love
A second of your keen sight
You make me want to surrender
See me shattered
See me on my hands and knees
But I know there is water underneath us
underneath the desert sandI'm a creeper
Creeper
I creep for life
A drop of love
A second of your keen sight
You make me want to surrender
See me shattered
See me on my hands and knees
But I know there is water underneath us
Underneath the desert sandCreeper
I'm a creeper
I creep for life
