Star Wars

Ryan Adams & The Cardinals

All I want, all I want, all I want is a girl
Someone that cares enough about me
That she refuses to react
When I act like I don't care about her
Ice-packs for my shiners
Though you're on my nerves
Someone smart enough to click me back together
?? simple and suede and still evadable
Is that too much to ask?
Is that too much to ask?
Is that too much to ask?
Well, I don't know
(Ooh, ooh, ooh, ooh)
Someone I love and who loves me
(Ooh, ooh, ooh, ooh)
Yeah, that and maybe the world
(Ooh, ooh, ooh, ooh)
Someone that loves me the way of
Star Wars, Wizards and Ninja Wars
Star Wars, Wizards and Ninja Wars

All I want, all I want, all I want is the chance
Someone with lasers and mirrors for eyes
Catching radio waves of Valium plants
That can dance to the music
And hover in the air
Someone that makes me feel at home whenever
Today, tomorrow, you get it forever
Is that too much to ask?
Is that too much to ask?
Is that too much to ask?
Well, I don't know
(Ooh, ooh, ooh, ooh)
Someone I love and who loves me
(Ooh, ooh, ooh, ooh)
Yeah, that and maybe the world
(Ooh, ooh, ooh, ooh)
Someone that loves me the way of
Star Wars

Star Wars, Wizards and Ninja Wars
Star Wars, Wizards and Ninja Wars
