Enjoy The Silence

No Use For A Name

Words like violence Break the silence Come crashing in Into my little worldPainful to me Pierce right through me Can't you understand Oh, my little girlAll I ever wanted All I ever needed Is here in my arms Words are very unnecessary They can only do harmVows are spoken To be broken Feelings are intense Words are trivialPleasures remain So does the pain Words are meaningless And forgettableAll I ever wanted All I ever needed Is here in my arms Words are very unnecessary They can only do harmEnjoy the silence
