Brotherhood

Santana

Brotherhood
Brotherhood
All around sweet brotherhood
No more us and them
Oneness
No more politics or denomination
Brotherhood
No more life or peace
Peace and life
No more war, violence or pain
Compassion
In brotherhood, we'll find joy
Dynamism, sweetness
Softness, soulfulness
Dignity, tranquility, serenity
Harmony, perfection
Harmony, perfection
Harmony, perfection
Harmony, perfection
One mind
One truth
One life
