

Lil' More Love (Explicit)

Johnta Austin

Ooh, oh
Ooh, oh
Ooh, oh
Ooh, ohHow many people know about
That, that in the middle of the night love
You know brown folks know what I'm talkin' about'all know what this is
So, so defOoh, it's midnight
And I'm tappin' you on the shoulder
I just got home from work
And I wanna do you know what
(Hey)Yeah, it's 12:02
And I'm slidin' up under the covers
I'm leavin' on my socks
'Cause I got my mind on lovin' youDon't understand enough
How we feel about, now you know
When I get like this somethin' is gonna happen
And you have the means to make me feel
Like I'm welcome you got a lot but as sweet as candy
I don't ever wanna stop, babyGive me just
(A little more kissin')
Baby, would you give me just
(A little more feelin')Oh, give me just a little more love
(Baby)
Give me just
(A little more touchin')Baby, would you give me just
(A little more rubbin')
Oh, give me just a little more loveIt's so special
(When you come alive)
It's so special
(When you get it right)Ooh, it's so special
(When you call my name)
Mean what you sayIt don't take ya long to get in the groove of thangs
To get in the move of thangs that you like and I like
Lord, it only takes one touch
To get you to do the thangs that I love so much
Baby, I'm a sucker for youDon't understand enough
How we feel about, now you know
When I get like this, somethin' is gonna happen
And you have the means to make me feel like I'm welcome

You got it a lot but as sweet as candy
I don't ever wanna stop, baby Give me just
(A little more kissin')
Baby, would you give me just
(A little more feelin') Oh, give me just a little more love
(Baby)
Give me just
(A little more touchin') Baby, would you give me just
(A little more rubbin')
Oh, give me just a little more love Give me just
(A little more kissin')
Baby, would you give me just
(A little more feelin') Oh, give me just a little more love
(Baby)
Give me just
(A little more touchin') Baby, would you give me just
(A little more rubbin')
Oh, give me just a little more love
