Wounds

Stereomud

is this the way its supposed to be?
Are you excited to love? you? so Hate...
i think this time you should stay away from me
you should stay away from you should stay away from mesorry i made you so mad
your sucking the blood right out of mesorry i made you so mad
your sucking the blood right out of meijust told to step down... to make feel so...is this the face you want to see?
are you Lost?
I AM...i think this time you should stay away from me
you should stay away from you should stay away from mesorry i made you so mad
your sucking the blood right out of mesorry i made you so mad
your sucking the blood right out of me (x2)
(pre-chorus)(x4)
