

Hey Steven

Bad Side

Mmmmmmmm

Mmmmmmmm

Yeah

Hey Stephen I know looks can be deceiving

But I know I saw a light in you.

As we walked, we were talking

I didn't say half the things I wanted to

Of all the girls tossin rocks at your window

I'll be the one waiting there even when it's cold

Hey Stephen boy you might have me believin

I don't always have to be alone

Cause I can't help it if you look like an angel

Can't help it if I want to kiss you in the rain so

Come feel this magic i've been feeling since I met you

Can't help it if there's no one else

Mmm I can't help myself

Mmmmmmmm

Hey Stephen I've been holdin back this feelin

So I've got some things to say to you

I've seen it all so I thought

That I'd never see nobody

Shine the way you do

The way you walk, way you talk, way you say my name

Is beautiful, wonderful, don't you ever change

Hey Stephen why are people always leavin

I think you and I should stay the same.

Cause I can't help it if you look like an angel

Can't help it if I want to kiss you in the rain so

Come feel this magic I've been feeling since I met you

Can't help it if there's no one else.

Mmmm I can't help myself

Mmmmmmm

They're dimmin the street lights
You're perfect for me why
Aren't you here tonight
I'm waiting alone now
So come on and come out and pull me near.
And we'll shine, shine, shine

Hey Stephen I can give you fifty reason
Why I should be the one you choose
All those other girls, well they're beautiful
But would they write a song for you

I can't help if if you look like an angel
Can't help it if I want to kiss you in the rain so
Come feel this magic i've been feeling since i met you
Can't help it if here's no one else
Mmm I can't help myself
If you look like an angel
can't help it if I want to kiss you in the rain so
Come feel this magic i've been feelin since I met you
Can't help it if there's no one else
Mmm I can't help myself

Mmmmmmm

Myself

Mmmmmmm

Can't help myself, can't help myself.
