Help Me Find It

Sidewalk Prophets

I don't know where to go from here
It all used to seem so clear
I'm finding I can't do this on my ownI don't know where to go from here
As long as I know that You are near
I'm done fighting
I'm finally letting goI will trust in You
You've never failed before
I will trust in You[Chorus:]
If there's a road I should walk
Help me find it
If I need to be still
Give me peace for the moment
Whatever Your will
Whatever Your will
Can you help me find it
Can you help me find itI'm giving You fear and You give faith
I giving you doubt
You give me grace
For every step I've never been aloneEven when it hurts, You'll have Your way
Even in the valley I will say
With every breath
You've never let me goI will wait for You
You've never failed before
I will wait for You[Chorus]I lift my empty hands (come fill me up again)
Have Your way my King (I give my all to You)
I lift my eyes again (Was blind but now I see)
'Cause You are all I need[Chorus]
