

To Breathe In a Casket

Necrophagist

Eyes opened up within the moist and dark
Trapped inside the measures of a coffin
Horried awakening, blank fears embrace meOh... beyond...
...beyond these walls there lies infinity...Asphyxiation is imminent due to the measures
Of this confinement,
Blind hits against the coffin walls,
Blank fears control meTo breathe in a casket - six feet below
To breathe in a casket - belowBuried deep beneath the earth
Beneath the earth
Blank fears embrace me
Embrace meBuried deep six feet below
Six feet below
Blank fears control me
Control meBreathing inside a casket
