

# Glory

## Talisco

A way, a way out  
I'll drop you here  
A way, a way out  
I'll drop you here I feel the freedom rising in me  
I've left a part of me  
Yes, I feel free It was a fight for me  
I drifted alone  
But I've overcome  
All my demons  
A way, a way out  
I'll drop you here  
A way, a way out  
I'll drop you here  
NA. NA... Your head in the clouds  
I wanna hear my voice, I gotta find my place  
Just wanna feel good  
I wrote under my skin, no saints  
My desires, my dreams, getting me high  
A way, a way out  
I'll drop you here  
A way, a way out  
I'll drop you here  
NA. NA... There's no worries, no worries
