Reflections

MisterWives

[Verse 1]
You didn't close the door
Left a crack open I couldn't ignore the
Faint possibility of having hope
In this insanity that
We still could be
But we're stuck floating in between[Chorus]
Put me on the shelf
Discipline myself
To let the sparks die out
I'm shattering anything
That has reflections of
You ooh-ooh-ooh-ooh
You ooh-ooh-ooh-ooh-oooh (x2)[Verse 2]
Our eyes were closed
With hearts opened wide
Dismissed every rule
To abide by
Our bodies undressed
The layers of shy
Revealing the truth
That was buried inside
Filled up feelings
That now are bursting at the seams[Chorus]
Put me on the shelf
Discipline myself
To let the sparks die out
I'm shattering anything
That has reflections of
You ooh-ooh-ooh-ooh
You ooh-ooh-ooh-ooh-oooh (x2)[Bridge]
Unsure of what are my dreams
It seems, you have
Stolen my slumber
And awakened another
Life within me that is
Better than any other
Reaching endless heights
In never ending nights

That can't be seen
Put to bed this dream
Oh oh oh oh oh oh oh oh[Chorus]
Put me on the shelf
Discipline myself
To let the sparks die out
I'm shattering anything
That has reflections of
You ooh-ooh-ooh-ooh
You ooh-ooh-ooh-ooh-oooh (x2)
