

Waiting For Somebody

Paul Westerberg

All my life, waiting for somebody
Ah-ha-ha, come and take my hand
All my life, waiting for somebody
Ah-ha-ha, whoa, yeahDown so long, doesn't really matter
This downtown home, been kicked and I've been spurred
You comin' along? It does't really matter
I'll go it alone--doesn't even hurtI'm waitin' for the day, waitin' for the day that you come my way...I drove
down deep, made a big decision
I'm going to sleep--I'm going there alone
I know damn well I'm tired of all this cryin'
On my feet as far as I can tell
