

# Shout It Out Loud

## Zeke

Well, the night's begun and you want some fun

Do you think you're gonna find it?

(Think you're gonna find it)

You got to treat yourself like number one

Do you need to be reminded?

(Need to be reminded)

It doesn't matter what you do or say

Just forget the things that you've been told

We can't do it any other way

Everybody's got to rock and roll, whoa, oh, oh

Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud

If you don't feel good, there's a way you could

Don't sit there brokenhearted

(Sit there brokenhearted)

Call all your friends in the neighborhood

And get the party started

(Get the party started)

Don't let 'em tell you that there's too much noise

They're too old to really understand

You'll still get rowdy with the girls and boys

'Cause it's time for you to take a stand, yeah, yeah

Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud

Shout it, shout it, shout it out loud

You've got to have a party

Shout it, shout it, shout it out loud

Turn it up louder

Shout it, shout it, shout it out loud

Everybody shout it now

Shout it, shout it, shout it out loud

Oh yeah

Shout it, shout it, shout it out loud

Hear it getting louder

Shout it, shout it, shout it out loud

And everybody shout it now

Shout it, shout it, shout it out loud
