## Dilated Peoples

Ah yeah, oh, no  
Killin' niggas, what?  
Dilated, we rock, c'mon  
Hurry, hurry an' step right up  
Hurry, hurry an' step right up  
The greatest show on earth  
An' I'ma tear shit up  
You better step up, you lookin' kinda lost  
Claimin' two ghetto streets that don't even cross  
If you didn't know, I'm a true artist  
Who drops gems like on the run from police  
Alias 'Evidence', intensified when live  
I understand pace, I understand strive  
The only thing worse than lose your title, have it stolen  
I treat beats like video games that I'm controllin'  
My knots get blown at vinyl spots  
Wise investment, create tracks that triple my stacks  
Most kids got whack songs but hi-tech videos  
They know that ain't right, that's why the screens turn left  
Flow goes backward, please, Evidence here to seize  
All assets 'bout to bounce from BMI to ASCAP  
An' ask them cats if them checks ain't paid  
Fuck the rain, Evidence, I spray Raid on your parade  
Hurry, hurry an' step right up  
An' I'ma tear shit up  
Hurry, hurry an' step right up  
The greatest show on earth is Evidence  
Hurry, hurry an' step right up  
An' I'ma tear shit up  
Hurry, hurry an' step right up  
The greatest show on earth is Evidence  
Ev's solution will mold to different forms  
I be a double-edged sword, I be thorns  
Or I transform to horns on the cattle field  
I'm always open like Norm's, equipped wit battle skills  
Two times I mold to the shape of a pentagon  
Dilated times five is ill, ring the intercom  
Evidence or Iristyle, got your file, run  
Global detonation is my shape of drums

Under the sun nothin' changes  
Dedicated beats an' lyric pages, Dilated Peoples, all ages  
Suckas dressin' flashy, thinkin' then can you defeat us  
Take 'em out, wash your Nike wit Adidas  
Hurry, hurry an' step right up  
We got Defari in the house, no doubt  
My mind is like an icon, focusin' on shows that I've wrecked  
My fast shudder speeds will freeze the movin' objects  
Hurry, hurry an' step right up  
An' I'ma tear shit up  
Hurry, hurry an' step right up  
The greatest show on earth is Evidence  
Hurry, hurry an' step right up  
An' I'ma tear shit up  
Hurry, hurry an' step right up  
Pull up a chair, word up  
Everybody say, ?Babu?  
Fuck that shit
