

Working Undercover For The Man

Hello, The Future!

I've been working hard
Trying to sing and play guitar
Growing out my hair
And practicing my starePaid to fake it
In a traveling band
And I'm working undercover for the man
Sha la la la la, sha la la la laPlanning midnight raids
On our unsuspecting fans
While the roadies rig
The video surveillance vanPaid to fake it
In a traveling band
And I'm working undercover for the man
Sha la la la la, sha la la la la la
Sha la la la la, sha la la la laI've been working hard
Practicing to sing and play guitar
Growing out my hair
And working on my starePaid to fake it
In a traveling band
And I'm working undercover for the man
Sha la la la la, sha la la la la la
Sha la la la la, sha la la la la la
