

Will You Satisfy?

Cherrelle

You know every one looks for pleasure
And a woman enjoys pleasure as much as a man
Sometimes it's harder for women to find pleasure
Or to be satisfied Will you satisfy
Will you satisfy In the cool of the night a woman's feelin' alright
But she needs a man to call her own
Candlelight and sweet perfume, and lust is in the room
But she needs someone to share it with Ooh, here he comes
With a sexy twinkle in his eyes
Tell me truth
Lies just leave me empty If I let you take me home (Will you satisfy)
Will you be the man I can call my home
Will you be the man of my dreams (Will you satisfy)
Will you be the one that could make me scream Promises that you made are all that I can take
Till you prove to me that you're for real
Then I guess you could be wrong, but feel it's gettin' strong
I don't think that I can stand it any longer Ooh, almost time
Put your gorgeous body next to mine
All through the night
A woman needs affection If I let you take me home (Will you satisfy)
Will you be the man I can call my home
Will you be the man of my dreams (Will you satisfy)
Will you be the one that could make me scream Uh-uh, uh-uh
Oh...oh...oh...oh...
Uh-uh, uh-uh
Oh...oh...oh...Oh...oh...oh...
Oh...oh...oh...
Oh...oh...oh...oh...
Oh...oh...oh...If I let you take me home
Will you satisfy
Will you, will you, will you satisfy
Ho... (Will you satisfy) Will you satisfy, baby (Will you satisfy) So what are you gonna do
Can you prove to me that you're for real
Uh-huh, tired of talk, want some action
Will you be the man of my dreams
Would you be the one that could make me, ow
