

# Dumb

## Andrew Garcia

Have you ever had that girl that made your heart skip a beat?  
Have you ever had that feeling where your words can not speak?  
Well I felt like that before, and I feel like that right now  
The way you walk you are  
Getting in the way of my thoughts my thoughts  
Trying to be cool but I'm not I'm not  
And now I'm next to you and I feel so da da da  
It ain't over, I'm gonna stay right by your side  
Cuz it ain't over  
I'm gonna show her that she's mine  
Cuz the way you move and the things you do got me out of my mind  
I wanna be with you  
Do I need to prove, cuz I'm running out of time  
I'm getting closer, you're getting further  
You're making it so hard for me to see  
I keep on trying, you keep on fighting  
You're making it so hard for me to breathe
