## **Fan Girl**

## **Ghost Town**

I know this girl that says she's lost it all And that she's gonna fall And that she'll never be happy again I know this all to be true I've lived it. I'm no different

I'm just like you

Just like youFan girl, fan girl, you don't know what you do to me

I love your insecurities

Fan girl, fan girl, hope you know you mean the world to me I wish that you could see what I seeI wish that you could see what I seeObsessed, obsessing All you want is screamed at the top of their lungs

(Woah)

I'm just some horror story, Made in your laboratory

I'm just some poster on your bedroom wall

I get excited too, think I'm in love with you

I'll scream at the top of my lungsFan girl, fan girl, you don't know what you do to me I love your insecurities

Fan girl, fan girl, hope you know you mean the world to me I wish that you could see what I seeI wish that you could see what I seeI wish that you could see what I see(Heeheehee.....)Fan girl, fan girl, you don't know what you do to me

I love your insecurities

Fan girl, fan girl, hope you know you mean the world to me I wish that you could see what I see Fan girl, fan girl, you don't know what you do to me I love your insecurities

Fan girl, fan girl, hope you know you mean the world to me I wish that you could see what I seeI wish that you could see what I seeI wish that you could see what I see(Heeheeheeheehee)
