

Mountain Sound

Of Monsters and Men

I heard them calling in the distance so I packed my things and ran
Far away from all the trouble I had caused with my two hands
Alone we traveled, armed with nothing but a shadow
We fled far away! Hold your horses now
(We sleep until the sun goes down)
Through the woods we ran
(Deep into the mountain sound) Some had scars and some had scratches
It made me wonder about their past
And as I looked around I began to notice
That we were nothing like the rest Hold your horses now
(We sleep until the sun goes down)
Through the woods we ran
(Deep into the mountain sound)
