

Radio Silence

My Ruin

Defamation of the character on a certain demographic
Pro user friendly teen pornographic
Superficial substance sick narcissistic
Bullshit by numbers gone crazy biz kitRadio silence can't keep us quiet
Radio silence deprogram and riot
Radio silence won't keep us quiet
Radio silence deprogramContrived conviction imitation real
Candy coated wrapped up crap mass appeal
Fake angst, aesthetic, insincere, offensive
Illegitimate false start pop chart perspectiveRadio silence can't keep us quiet
Radio silence deprogram and riot
Radio silence won't keep us quiet
Radio silence, riotRadio, fuck
Radio, fuck
Radio, fuck
Your soft rock dietRadio, fuck
Radio, fuck
Radio we will not be quiet
Quiet we will not keep silent
Silent you can't keep us quiet
