Sit With The Guru

Strawberry Alarm Clock

Life's created, automated
Yesterday's invalidated
Hip mankind on, turn your mind onSit with the guru
Meditation, ooo-ooo, high, high where eagles fly
Leave today untouched in the sky
Stretch out your mind to humanity
How many tomorrows can you seeGood life livin', party givin'
No one walks who can be driven
Blunt the starkness, light the darknessSit with the guru
Meditation, ooo-ooo, high, high where eagles fly
Leave today untouched in the sky
Stretch out your mind to humanity
How many tomorrows can you see
How many tomorrows can you seePussy willows, dew-kissed pillows
Silver cloud puffs up and billows
Full potential, transcendentalSit with the guru
Meditation, ooo-ooo, high, high where eagles fly
Leave today untouched in the sky
Stretch out your mind to humanity
How many tomorrows can you see
How many tomorrows can you see
