

Tin Roof Blues

Bob French

Yes, a New Orleans woman
She's alright with me
I said New Orleans woman
She's alright with me
That's my hometown I'm talking about 'Cause when she cooks
That good old Gumbo fillet
I'm happy as can be I love my baby
I'm gonna tell you the reason why
Let you know the secret out Yes I love my baby
Well, I'm gonna tell you the reason why
Never told you this before
'Cause there ain't a chance for a cutout
You've got to stay with me till the day I die
