

The Fanny Bounce

JbDubs

I wanna make the fanny bounce
I wanna make the fanny bounce I never said I wouldn't take it to this place
I'm not above getting wasted
If you hate it I say get up out my face
Or I will hit you with the bass I wanna make the fanny bounce all over the place
You know you want to just face it
The martians gonna feel it up in outer space
When we spank the fanny with the bass Oh it's how we roll
with my crop top, pegasus necklace,
executive realness, yeah
Oh it's how we drop it downtown
to the ground
when we make make make make
make that fanny bounce And now we're having a good time
We're living like it's the end of the line I wanna make the fanny bounce I never told you that I wasn't a diva
I'm not as kind as She-Ra
But I'm as graceful as Ellen, Vera
You're not a stray you're feral I wanna make the fanny bounce like you Xena
Fighting hercules for penis
My fanny bounce even without doing tina
Unless you talking 'bout Christina Oh it's how we roll
with my crop top, pegasus necklace,
executive realness, yeah
Oh it's how we drop it downtown
to the ground
when we make make make make
make that fanny bounce And now we're having a good time
We're living like it's the end of the line I wanna make the fanny bounce I'll behave
When I'm in my grave
I'll sleep tight
Some other night I wanna make the fanny bounce Oh it's how we roll
with my crop top, pegasus necklace,
executive realness, yeah
Oh it's how we drop it downtown
to the ground
when we make make make make
make that fanny bounce Make that fanny bounce! And now we're having a good time
(and now we're having a good time)
We're living like it's the end of the line

(we're living like it's the end of the line)
And now we're having a good time
(oh yeah we had a good time)
We're living like it's the end of the line
(and it's the end of the line)
