

Dream Warriors.

Dokken

I lie awake and dread the lonely nights
I'm not alone, I wonder if these heavy eyes can face the unknown
When I close my eyes, I realize you'll come my way
I'm standing in the night alone forever together, oh We're the dream warriors, don't wanna dream no more
We're the dream warriors and maybe tonight, maybe tonight you'll be gone I feel the touch comin' over me
I can't explain, I hear the voices callin' out, callin' my name
It's the same desire to feel the fire that's comin' your way
I'm standing in the night alone forever together, oh We're the dream warriors, don't wanna dream no more
We're the dream warriors, maybe tonight you'll be gone
We're the dream warriors, ain't gonna dream no more
(Dream warriors)
And maybe tonight, maybe tonight you'll be gone Sweet revenge, the bitter end this time
Break the spell of illusion bound together waiting for you Dream warriors, don't wanna dream no more
We're the dream warriors, maybe tonight you'll be gone
We're the dream warriors, ain't gonna dream no more
(Dream warriors)
We're the dream warriors and maybe tonight, maybe tonight you'll be gone
(Dream warriors)(Dream warriors)
Maybe tonight you'll be gone
(Dream warriors)
Forever
(Dream warriors)
Maybe tonight you'll be gone
(Dream warriors)
