

# One Wing

Jordin Sparks

Feels like I'm going down a one way street  
In every direction  
And I need, I need, I need, heaven to show me just little affection  
No, cause all of the signs, oh oh  
Point towards bad for me  
And I wish I could get a running start  
And soar to my victory  
But, one wing I can't fly with one wing  
Heaven help me, fly with one wing  
I can't fly with one wing, oh no  
No matter how hard I try, I can't no  
Feels like I'm running out of time,  
And I gotta whole lotta things on my mind  
And I'm walking around with the dark, uh huh  
Trying to find just a little peak of sunshine  
No, no I did everything to make it work  
But, still I'm at a loss, yeah  
Now, I'm on a runaway of my life  
Waiting to take off  
But I-I-I, I can not fly with one wing.  
Heaven I'm gonna need some help yeah, fly with one wing  
I can't, I can't, I can't fly with one wing, oh no

No matter how hard I try, I can't no  
Always on my knees, always on my knees  
Oh, I been on my knees many of nights  
Praying, for the coming of my victory, yeah  
But there's always something there in the way to delay my flight  
I just can't get off my feet  
To reach my destiny,  
Though it's where I can see  
It's just to high to reach, no  
I can't, I can't, I can't fly with one wing!  
Yeah, fly with one wing!  
No, I can't fly, fly with one wing  
I can't fly with one wing, oh no  
No matter how hard I try, I can't no  
I can pray all I want, sister  
Fly with one wing, no

Fly with one wing, I can't I can't I can't  
Fly, fly, fly, fly  
I can't fly with one wing, but I can't  
I can't fly with one wing, I can't  
I can't fly with one wing, I can't  
Oh oh oh
