I Feel Ya

Cyssero

I feel your eyes upon me
i feel your arms sorround me
i feel your lips around me
baby baby let's get down
i feel your body on me
i feel your kisses touch me
i feel the love you give me
baby baby let's get downOh baby baby
i feel you get ready
oh baby baby
you feel so good it's delay
i feel you can you feel me babyI feel your eyes upon me
i feel your arms sorround me
i feel your lips around me
baby baby let's get down
i feel your body on me
i feel your kisses touch me
i feel the love you give me
baby baby let's get downoh baby baby
i feel you coming closer
(oh baby it's almost over)
oh baby baby
you feel so good it's delay
