

All I Do Is Dream Of You

Perry Como

All I do is dream of you the whole night through
With the dawn, I still go on dreamin' of you You're every thought, you're every thing
You're every song I ever sing
Summer, winter, autumn and spring And were there more than twenty four hours a day
They'd be spent in sweet content, dreamin' away When skies are gray, skies are blue
Morning, noon and night time too
All I do the whole day through is dream of you When skies are gray, skies are blue
Morning, noon and night time too
All I do the whole day through is dream of you
