

# Blood Pressure

## Mutemath

Why can't you, be more like your older brother  
Why can't you, ooh (blood pressure)  
Why can't you, do a little more for Jesus  
Why can't you, (blood pressure) ooh  
Ah ah

Blood pressure  
Do better  
Keep rising  
Blood pressure

You're on the road, on a road that's bound for nowhere  
Why don't you do what you're told? Blood pressure

Don't worry I will help you out on one condition  
Be more, do more, check your blood pressure

Ah ah

Blood pressure  
Do better  
Keep rising  
Blood pressure

Ah ah  
Oh

Blood pressure  
Do better  
Keep rising  
Blood pressure

Blood pressure  
Won't matter  
Keep rising  
Blood pressure

Blood pressure
