The Way You Look Tonight

Bryan Ferry

Some day, when I'm awfully low
When the world is cold
I will feel a glow just thinking of you
And the way you look tonightOh, but you're lovely, with your smile so warm
And your cheek so soft
There is nothing for me but to love you
And the way you look tonightWith each word your tenderness grows
Tearing my fear apart
And that laugh that wrinkles your nose
Touches my foolish heartLovely, never ever change
Keep that breathless charm
Won't you please arrange it?
'Cause I love you
Just the way you look tonight.
