Noora Noor

This song is for my mother
Who told me to work harder
the way she loves
makes me feel free

This song is for my brothers
With them So much wiser
the way they love
I feel so complete

Everyone?(love) thought that 1 could (love)do
Whatever whenever wherever 1 set my mind at you
Everyone? (love) thought that 1 could do (love)
Whatever whenever wherever 1 set my mind at you

This song is for my sister,
I melt when I am around her
So much joy she brings for me to see

This song is for my father
without him I am so much stronger
from heaven he guides me through a rainy day

Everyone? (love) thought that 1 could do (love)
Whatever whenever wherever 1 set my mind at you
Everyone? (love) thought that 1 could do (love)
Whatever whenever wherever 1 set my mind at you

I believe in me, I believe in you
I believe in me, I believe in you
Believing believing believing
I believe in you you, in you you
Yeah yeah yeah Yeah yeah yeah Yeah yeah yeah
I promise Iâ€™™ ll be better

Everyone? (love) thought that 1 could do (love)
1 set my mind at you
Everyone? (love) thought that 1 could do (love)
Whatever whenever wherever 1 set my mind at you
