Let It Roll

Ladyhawke

I'm on the flip side of every dollar bill
I am the eye watching over you
Too many hard times, too much to think about
So let it roll like a newborn soulLet it roll
Let it roll
Let it roll like a new born soul
Let it roll
Let it roll
Let it roll like a new born soulToo many lovers in a hotel room
They're making plans to runaway to the moon
Not a care in the world they feel
This is the rhythm as the heart beats on and on
You think you look good, you take a photograph
It makes you smile when you're feeling bad
But it's the wrong way to start a new day
So let it roll like a newborn soulLet it roll
Let it roll
Let it roll like a new born soul
Let it roll
Let it roll
Let it roll like a new born soulToo many lovers in a hotel room
They're making plans to runaway to the moon
Not a care in the world they feel
This is the rhythm as the heart beats on and on
Too many lovers in a hotel room
They're making plans to runaway to the moon
Not a care in the world they feel
This is the rhythm as the heart beats on and on
Let it roll, let it roll, let it roll, let it roll, let it roll, roll, roll
Let it roll, let it roll, let it roll, let it roll, let it roll, roll, roll
Let it roll, let it roll, let it roll, let it roll, let it roll, roll, roll
Let it roll, let it roll, let it roll, let it roll, let it roll, roll, rollToo many lovers in a hotel room
They're making plans to runaway to the moon
Not a care in the world they feel
This is the rhythm as the heart beats on and on
Too many lovers in a hotel room
They're making plans to runaway to the moon
Not a care in the world they feel
This is the rhythm as the heart beats on and onLet it roll, let it roll, let it roll, let it roll, let it roll, roll, roll

Let it roll, let it roll, let it roll, let it roll, let it roll, roll, roll
Let it roll like a newborn soul
Let it roll, let it roll, let it roll, let it roll, let it roll, roll, roll
Let it roll like a newborn soul
