

Another Worldly Device

Prong

Time for reward its been so hard just living here
Transcend the self remove the sight ending
The fear escape the fault widen the gap
Kill off the facts that are gonna hurt my mind
That are gonna stain my soul
Another worldly device
That may ruin me that are gonna
Ruin my goals that are gonna take its toll
Another worldly device
Another worldly release
Take back myself from this here self the
Ones that you do must hold some truth
To what you should I will perceive the will persists
I must omit what's gonna hurt my mind
What's gonna stain my soul
Another worldly device
That may ruin me not gonna block my goals
Not gonna take its toll
Another worldly device
Another worldly device more wrong advice another broken promise
