

# I Need To Know

Kris Allen

Life's been blinding me  
From what I thought I'd see  
Is there clarity in this insanity? (yeah)  
What's she want from me? (yeah)

Roads in front of me  
Taking me astray  
Are you leaving me?  
Or are you leading the way?  
Can you hear what I'm saying?

I need to know  
I need to know  
I need to know  
I need to know

Feel like I'm trying to breathe under water  
Trying to climb but I keep falling farther, yeah  
Will you take my hand?

Feels so far away  
I want to see your face  
Are you even there?  
Can you show me?  
Can you make me believe?

I need to know  
I need to know  
I need to know  
I need to know

I need to know  
I need to know
