

# Pulling Rabbits Out Of A Hat

## Sparks

I'll grab the sun and the moon  
I'll hold the world in my hand  
These things are easy for me  
I can't make you understand Pulling rabbits out of a hat  
Pulling rabbits out of a hat  
All I get is polite applause  
Applause, applause, applause  
Applause, applause Marvel at heaven and hell  
(Marvel at heaven and hell)  
Gasp at the Champs-Elysees  
(Gasp at the Champs-Elysees) Raise the Titanic and then  
(Raise the Titanic and then)  
I see you turning away Pulling rabbits out of a hat  
Pulling rabbits out of a hat  
All I get is polite applause  
Applause, applause, applause  
Applause, applause Entertaining that's the word I get from you  
Entertaining and then you bid a fond adieu, well, adieu I'll make a pauper a King  
(I'll make a pauper a King)  
I'll turn your water to wine  
(I'll turn your water to wine) These things are easy for me  
(These things are easy for me)  
How come I can't change your mind? Pulling rabbits out of a hat  
(Pulling rabbits out of a hat)  
Pulling rabbits out of a hat  
(Pulling rabbits out of a hat) All I get is polite applause  
(All I get is polite applause)  
Applause, applause, applause  
Applause, applause Applause, applause, applause  
Applause, applause  
Applause, applause, applause  
Applause, applause
