

# I Cover the Waterfront

Annie Lennox

Away from the city that hurts and mocks  
I'm standing alone by the desolate docks  
In the still and the chill of the night  
I see the horizon, the great unknown  
My heart has an ache it's as heavy as stone  
Will the dawn coming on make it light? I cover the waterfront  
I'm watching the sea  
Will the one I love be coming back to me? I cover the waterfront  
In search of my love  
And I'm covered by a strlit sky above Here am I patiently waiting, hoping and longing  
Oh, how I yearn  
Where are you?  
Are you forgetting?  
Will you remember?  
Will you return? I cover the waterfront  
I'm watching the sea  
Will the one I love be coming back to me?
