

Total Disaster 2000

Destruction

I was born in a dark winter night
Thunder and lightning greeted me
Now it's time to begin to fight
Kingdom of heaven; I can't see! My home is the bloody hell
The place where Satan rules
The world is now like a big shell
The fire of hell will destruct you fools I can never trust the virgin preacher
I don't believe in Jesus Christ
It's all right cuz' Satan is my teacher
Hidden 'them' when we arise I command and you get down on your knees
We sacrifice infancy on Satan's order
Come taste blood, our living grease
Headless bodies found, one is your daughter I can never trust the virgin preacher I was born in a dark winter
night
Thunder and lightning greeted me
Now it's time to begin to fight
Kingdom of heaven; I can't see! I can never trust the virgin preacher
