Fortunate

Maxwell

Never seen a sun shine like this Never seen the moon glow like this Never seen the waterfalls like this Never seen the lights off like this Never dug anyone like this Never had tasty lips to kiss Never had someone to miss Never wrote a song quite like thisFortunate to have you girl I'm so glad you're in my world Just as sure as the sky is blue I bless the day that I found youNever had room service all night Never took a trip first class flight Never had a love affair so tight I've never felt a feeling so rightNever seen a winter so white Never had words to recite Never had a flame to ignite And I never sang a song with all my mightFortunate to have you girl I'm so glad you're in my world Just as sure as the sky is blue I bless the day that I found youFortunate to have you girl I'm so glad you're in my world Just as sure as the sky is blue I bless the day that I found youSilence child, hope you hear I'm callin' out to your body Baby, you know just what to do Close the door and windows tooFortunate to have you girl I'm so glad you're in my world Just as sure as the sky is blue I bless the day that I found youFortunate to have you girl I'm so glad you're in my world Just as sure as the sky is blue
