

Whoop Whoop

Kj-52

Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Oh no he's back again
What ya know here I go and I'm rapping
And in the studio in the lab again
One mic, one flow, one pad and pen For one mo' just stack 'em in
One show let's roll let's pack 'em in, now
Y'all know when we coming in
We blow every mind when we telling them And chose every rhyme that we sending them
So folks recognize to be born again
And realize he died so you can live again
And he'll crack the sky and he'll come again All right let's ride start bouncing then
We can go all night it don't have to end, now
Hey Todd we started man
So get 'em high holla back if ya hear me then Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Now everybody from front to back
If ya just can't get enough of that
And ya feel it bump and ya loving that
Then get 'em up turn it up and just bump the track 'Cause that's the way that we running that
All day every day we gotta come with that
All truth no lies just none of that
Just for you every time just a ton of that Understand that's why when we bust a track
Every time any line any kind of rap
I'm a kind of guy just the type of cat
Ya gonna find every rhyme one kind of fact That it's just Christ nothing less than that
And just every time I'll be running that
And so that's why I'm always bumping that
So getta fist real high and start pumping that, come on Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop

C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop C'mon now everybody
C'mon now everybody
C'mon now everybody
C'mon now everybody C'mon now everybody
C'mon now everybody
C'mon now everybody
C'mon now everybody
C'mon Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop Here we go like whoop whoop
Break it down like whoop whoop
Now everybody like whoop whoop
C'mon yall like whoop whoop
