Cold Sweat

Sodom

[Cover : Thin Lizzy]
[Dedicated To : Phil Lynott (RIP)]I put my money in the suitcase
And headed for the big race
I felt a chill on my backbone
As I hung up the telephoneStone cold sober and stone cold sweat
Running down the back of my neck
To lose means trouble, to win pays double
And I got me a heavy betCold, cold sweatThey say chances on the outside
Are looking very slim
I've been so lucky on the inside
I feel I'm going to winStone cold sober and stone cold sweat
Running down the back of my neck
Take a little money, there's nothing left to lose
And I got me a heavy betCold, cold sweatI've got me a whole month's wages
I haven't seen that much in ages
I might spend it in stages
And move out to Las VegasStone cold sober and stone cold sweat
Running down the back of my neck
To lose means trouble, to win means double
And I got me a heavy betCold, cold sweatI put my money in the suitcase
They say chances on the outside
I got a whole months wagesStone cold sober and stone cold sweat
Stone cold crazy
Place another bet
