The Way We Live

Cimorelli

All right
Yeah
Grew up in a suburb that was right outside of Sac Town
Ridin in my brother's truck, music up too loud
Sittin on a sub face, clearin' as we drive by
But it felt good, yeah, I'm not gonna lie
I can still feel it shake as I'm stuck in the back
In the middle of his friends while he drives too fast
I'm the only girl, I don't know how to act
But when I look back, I can't help but laugh

Laid back, cruisin' like, hand out the window
Music always up, always up on the stereo
We don't even know, even know where we should go, should go, should go

All us California kids listenin' to country
Got a summer job, tryna make a little money
Livin our life, carefree like should be, should be, should be

Whoa oh
This is the way we live
We do this every day
This is the way we,
This is the way we,
This is the way we live
Ooh ooh ooh
My life is like
Ooh ooh ooh
Uhh!

hey turned up dirt lot into a teenage memory
Yeah, Town Centre was the Friday night place to be
That was back when I was an El Dorado Hillian
Moved to Malibu, now I'm hangin' at Pavilion

NorCal, SoCal, doesn't really matter
It's always a good time when we get together
Someone take a picture, remember this forever, ever, ever

Head down the boulevard, all the way to Subway

Listen to the songs that we love, all my friends sing
Hey, you, I wanna know your name, your name, your name

Whoa oh
This is the way we live
We do this every day
This is the way we,
This is the way we,
This is the way we live
Ooh ooh ooh
My life is like
Ooh ooh ooh
Uhh!

I don't fit in with everyone my age
But this ain't Hollywood, it's just the way we live
This is the way (the way, the way, the way, the way)
This is the way (the way)
This is the way we live

Hey hey
Ohh
Woo!

Whoa oh (say what?!)
This is the way we live
We do this every day (yeah we don't stop, yeah we don't stop)
This is the way we,
This is the way we,
This is the way we live
Ooh ooh ooh
My life is like
Ooh ooh ooh
My life is like
WOO!
