

# Birds Elope With The Sun

## The Agonist

Air like water, water like stone, birds elopes with the sun.  
A velvet quietus furtively draped over ears  
Quartz underfoot and crystalline opal tears  
Welcoming webs of gasping despair  
Nival amphora textures the air  
Anamnesis waltzes through...  
The windows, shut tight, and the fires are fueled...  
Reminding na
